

NOTICE OF A CITIZENS INFORMATIONAL WORKSHOP FOR THE PROPOSED
IMPROVEMENTS TO US 64/70 (GARNER BAGNAL BOULEVARD) FROM I-77 TO I-40

TIP Project U-4749

Iredell County

The North Carolina Department of Transportation (NCDOT) will hold the above Citizens Informational Workshop on Monday, June 29, 2009 between the hours of 4:00 pm and 7:00 pm at the Statesville Civic Center – Room C, located at 300 South Center Street, Statesville, 28677.

The NCDOT proposes to widen existing US64/70 (Garner Bagnal Boulevard) to a multi-lane divided facility from I-40 to I-77. The purpose of the project is to improve mobility and relieve future congestion along Garner Bagnal Boulevard. The project is 4.5 miles in length.

Aerial mapping displaying the proposed study area will be displayed and handouts and comment sheets will be distributed. Anyone interested in the project may drop in during the above hours. No formal presentation will be made; however, Department representatives will be available to discuss the project on a one-to-one basis during the workshop hours. These Workshops are being held to provide the public an opportunity to participate in the planning process and update them on the project's status. Comments and information received from the public will be taken into consideration as work on this project continues. Additional public involvement will be conducted throughout the development of the project.

Anyone desiring additional information regarding the project may contact Marshall Edwards, Project Manager, at 1548 Mail Service Center, Raleigh, NC 27699, phone (919) 733-7844 ext. 222, fax (919) 733-9794 or email: medwards@ncdot.gov.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this workshop. Anyone requiring special services should contact Mr. Edwards as early as possible so that arrangements can be made.
